Cumulative incidence function for TRUE response (item 1).

Cumulative incidence function for FALSE response (item 1).

Cumulative incidence function for TRUE response (item 2).

Cumulative incidence function for FALSE response (item 2).

Cumulative incidence function for TRUE response (item 3).

Cumulative incidence function for FALSE response (item 3).

Cumulative incidence function for TRUE response (item 4).

Cumulative incidence function for FALSE response (item 4).

Cumulative incidence function for TRUE response (item 5).

Cumulative incidence function for FALSE response (item 5).

Cumulative incidence function for TRUE response (item 6).

Cumulative incidence function for FALSE response (item 6).

Cumulative incidence function for TRUE response (item 7).

Cumulative incidence function for FALSE response (item 7).

Cumulative incidence function for TRUE response (item 8).

Cumulative incidence function for FALSE response (item 8).

Cumulative incidence function for TRUE response (item 9).

Cumulative incidence function for FALSE response (item 9).

Cumulative incidence function for TRUE response (item 10).

Cumulative incidence function for FALSE response (item 10).

Cumulative incidence function for TRUE response (item 11).

Cumulative incidence function for FALSE response (item 11).

Cumulative incidence function for TRUE response (item 12).

Cumulative incidence function for FALSE response (item 12).

Cumulative incidence function for TRUE response (item 13).

Cumulative incidence function for FALSE response (item 13).

Cumulative incidence function for TRUE response (item 14).

Cumulative incidence function for FALSE response (item 14).

Cumulative incidence function for TRUE response (item 15).

Cumulative incidence function for FALSE response (item 15).

Cumulative incidence function for TRUE response (item 16).

Cumulative incidence function for FALSE response (item 16).

Cumulative incidence function for TRUE response (item 17).

Cumulative incidence function for FALSE response (item 17).

Cumulative incidence function for TRUE response (item 18).

Cumulative incidence function for FALSE response (item 18).

Cumulative incidence function for TRUE response (item 19).

Cumulative incidence function for FALSE response (item 19).

Cumulative incidence function for TRUE response (item 20).

Cumulative incidence function for FALSE response (item 20).

Cumulative incidence function for TRUE response (item 21).

Cumulative incidence function for FALSE response (item 21).

Cumulative incidence function for TRUE response (item 22).

Cumulative incidence function for FALSE response (item 22).

Cumulative incidence function for TRUE response (item 23).

Cumulative incidence function for FALSE response (item 23).

Cumulative incidence function for TRUE response (item 24).

Cumulative incidence function for FALSE response (item 24).

Cumulative incidence function for TRUE response (item 25).

Cumulative incidence function for FALSE response (item 25).

Cumulative incidence function for TRUE response (item 26).

Cumulative incidence function for FALSE response (item 26).

Cumulative incidence function for TRUE response (item 27).

Cumulative incidence function for FALSE response (item 27).

Cumulative incidence function for TRUE response (item 28).

Cumulative incidence function for FALSE response (item 28).

Cumulative incidence function for TRUE response (item 29).

Cumulative incidence function for FALSE response (item 29).

Cumulative incidence function for TRUE response (item 30).

Cumulative incidence function for FALSE response (item 30).

Cumulative incidence function for TRUE response (item 31).

Cumulative incidence function for FALSE response (item 31).

Cumulative incidence function for TRUE response (item 32).

Cumulative incidence function for FALSE response (item 32).

Cumulative incidence function for TRUE response (item 33).

Cumulative incidence function for FALSE response (item 33).

Cumulative incidence function for TRUE response (item 34).

Cumulative incidence function for FALSE response (item 34).

Cumulative incidence function for TRUE response (item 35).

Cumulative incidence function for FALSE response (item 35).
